Education

- Ph.D. in Computer and Information Technology** 2022 - Present
Purdue University, West Lafayette, IN
Thesis Title: User-Centric AI Ethics: Investigating Ethical Standards Through User Feedback
Thesis advisor: Professor John A Springer
GPA: 3.9/4.0
- MA. in Media Arts and Studies** 2020 -2021
Ohio University, Athens, OH
GPA: 3.9/4.0
- B. ED in English & French** 2014 - 2018
University of Cape Coast, Cape Coast, GH
GPA: 3.4/4.0

Teaching Experience

- Course Instructor, Purdue University** 2023 – Present
Department of Computer and Information Technology
- (a) Successfully assisted over 600 students in enhancing their computing skills.
 - (b) Achieved an average course evaluation rating of 4 out of 5, indicating high effectiveness in course content delivery and communication.
 - (c) Provided targeted support and mentorship, contributing to a 30% increase in student confidence and proficiency in computing skills.
 - (d) Consistently received commendations for clear instruction, approachability, and responsiveness, enhancing overall student satisfaction and learning outcomes.
- Graduate Teaching Assistant, Ohio University** 2020 – 2021
School of Media Arts & Studies
- (a) Effectively oversaw classes of up to 150 students in Media Arts and Studies, achieving a 98% course completion rate.
 - (b) Supervised online learning and evaluation, resulting in a significant increase in student engagement and satisfaction with online teaching methods.
 - (c) Accurately checked assignments, proctored tests, and provided grades, maintaining adherence to university standards.
 - (d) Collaborated with professors to evaluate student progress, leading to a significant improvement in student performance and meeting individual learning needs.
 - (e) Consistently exceeded goals by prioritizing tasks efficiently and demonstrating a strong work ethic, contributing to a 25% increase in overall program success.

Technical Skills

Technical Tools (high proficiency): Excel

Programming Languages (some proficiency): SQL, R, SAS

Research Experience

Graduate Research Assistant, Purdue University

2022 - 2023

FileTSAR+ Project

- (a) Played an instrumental role in the development of fileTSAR+, a digital forensic analyzer now utilized by Tippecanoe County's High Tech Crime Unit.
- (b) Enhanced the set-up manual, significantly improving ease of installation and usability for law enforcement personnel.
- (c) Collaborated with cross-functional teams to ensure the tool's effectiveness in forensic investigations.
- (d) Contributed to the successful deployment and adoption of the software, aiding in the efficiency and accuracy of digital forensic analysis.

Research Interest

AI ethics, Responsible AI, Educational Technology

Publications

- (a) Aggrawal, S., & Boowuo, H. (2023, October). **Enhancing Teamwork Through Games: A Systematic Literature Review**. In *2023 IEEE Frontiers in Education Conference (FIE)* (pp. 1-9). IEEE.

This paper presents a systematic literature review that examines the enhancement of teamwork through games. The importance of teamwork in various domains is highlighted, emphasizing its role in achieving common goals and fostering effective group efforts.

Working Papers:

- (b) **"The Role of Big Data Ethics in Higher Educational Curriculum: A Systematic Literature Review"** with Sakhi Aggrawal started June 2023
- (c) **"Immersive Technologies for Special Students in Higher Education: A systematic Review"** with Prof. Kevin Dittman. Started January 2024
- (d) **"Is AI Making Us Artificially Intelligent? A Systematic Literature Review on Assessing the Attitudes and Usage of ChatGPT among College Students"** with Ernest Ofori-Mensah started January 2024
- (e) **"Exploring Threat of QRishing VIA Shared Micromobility Vehicles on College Campuses: A Case Study Determining the QRishing Cyber Kill Chain ."** with Frank Gyimah, Sakhi Aggrawal, Ernest Ofori-Mensah started April 2024.
- (f) **"Friend or Foe? AI and the Evolving Landscape of Ransomware-as-a-Service (RaaS)"** with Ernest Ofori-Mensah, Frank Gyimah, Sakhi Aggrawal started April 2024.
- (g) **"Cultivating Resilience and Academic Growth through Informal Peer Mentoring among Underrepresented Minorities"** with Sakhi Aggrawal, Ernest Ofori-Mensah started June 2023

Conferences & Presentations

- (b) Hawaii International Conference on Education. *Honolulu-Hawaii, January 2025*. (presenter)
- (a) IEEE Frontiers in Education Conference (FIE). *College Station-Texas, October 2023*. (Co-Presenter)

Certifications

Google Data Analytics Certification	August 2024
FERPA Certification	January 2024

Awards & Scholarships

- (a) **Conference Sponsorship:** by Professor Kevin Dittman, Hawaii International Conference on Education. Honolulu, Hawaii-January, 2025
- (b) **Dean's Graduate Student Travel Grant**, Purdue University-July, 2024
- (c) **Computer and Information Technology Travel Grant**, Purdue University-September, 2023
- (d) **Conference Sponsorship:** by Professor John Springer. FIE Conference, College Station, TX- October, 2023
- (e) **Dean's Graduate Student Travel Grant**, Purdue University-September, 2023
- (f) **Teaching Assistant**, Purdue Polytechnic Institute, West Lafayette, IN-January 2022-Present
- (g) **Graduate Teaching Assistant**, School of Media Arts and Studies, Ohio University-August 2021
- (h) **Communication Studies Talented Students Award**, Department of Communication Studies, Eastern Illinois University. Charleston, IL-May 2020
- (i) **International Students Scholarship**, Office of International Students and Scholars, Eastern Illinois University. Charleston, IL-August 2019

Professional Associations

Member of the Institute of Electrical and Electronics Engineers, Inc. (IEEE), 2024

Academic & Community Service

Manuscript Peer Review

Frontiers In Education Conference. Reviewer	June 2024
---	-----------

Educational Outreach

After School Program, Newman Catholic Center-Charleston, IL	2019-2020
---	-----------

Facilitated learning for children, leading to a 30% increase in engagement and creativity, and contributed to the development of active and innovative minds.
